

# Lesson 4

Review ArrayList and Gimkit

Day 4

# Warmup Coding Bat Questions

---

Logic - 2: roundSum, closeFar

String - 2: repeatEnd, repeatFront, repeatSeparator

AP - 1: scoresIncreasing

Array - 1: maxEnd3

# Sign up for CP201

---

Create a personal Google account if you don't have one and join the CP201 class!

Don't use your school account because there are some conflictions that you might run into, so it's best if you can prepare your own Google account.

The Code: **fjxr526**
